

Thai With A Twist

Per Gessle

Got there pretty early
Yes i got there early only to discover
I don't wanna miss
A single second of her
I don't wanna miss a thing thing
Oh wow wow

And there's a moment of bliss
I'm lost in a kiss
She's like thai with a twist
Thai with a twist

Never was a wiser
Kind of womanizer kaiser tranquillizer
I fell in love the very moment
I set eyes on
I set my hungry eyes on her her
Oh wow wow

There was a moment of bliss
I could stand in line for this
Thai with a twist
She's like thai with a twist
