

# The Party Pleaser

Per Gessle

When you come around  
I don't hear anymore  
When you come around  
I can't see clear anymore  
When you move on that floor  
Can't seem to think anymore

I'm pavin' the way the way the way  
For the party pleaser  
I'm pavin' the way the way the way  
For the party pleaser

When you put on that dress  
I can't breathe anymore  
When you move in that dress  
I can't be saved that's for sure  
I turn the corner for more  
With the pedal to the floor

I'm pavin' the way yea the way yea  
The way for the party pleaser  
I'm pavin' the way yea the way yea  
The way for the party pleaser  
Oh i'm makin' way yea my way yea  
The way for the party pleaser  
I'm pavin' the way yea my way yea  
The way for the party pleaser

This might be the one  
Yea the very last one  
Dance to the music  
They're playin' our song  
Ooh la la la ooh la la la

When you're comin' so close  
When you look into my eyes  
You're talkin' so close  
And you look into my eyes  
You tie me up for the ride  
You mess me up 'til i die
