

Die 4 You

Perfume Genius

Limit every second left
Until I'm off balance

Oh love
I'm there in spirit

Each and every breath I spend
You are collecting

Oh love
See it through
I will die 4 you

Each and every breath I spend
You are collecting
Limit every second left
Until I'm off balance
Each and every breath I spend

Oh, my love
Oh, my love
Take your time
Oh, my love
Take your time
Oh, my love
Oh, my love

Oh, my love
Oh, my love
Take your time
Oh, my love
Take your time
See it through
