

Everyday

Perfume

Something that is for certain
Though there's no such thing, yes, though there's no such thing
I have gotten the feeling that it exists
Yes, such a thing must be short-lived; pile time up
Searching for laughter with everyone (Uh)

You make me happy everyday
We make a party everyday
You make me happy everyday
We make a party everyday everyday everyday

It's so happy

(Hour) You make me happy everyday
(Hour) I'll make it like a party everyday everyday
(Hour) We make a party everyday
(Hour) I'll make it like a party everyday everyday

Ah, something that I don't have enough of
Though there's no such thing, yes, though there's no such thing

Because it feels like I'll lose sight of you
I will always be with you - an accompanying melody
So that I can keep you enthralled
So that I'll be able to smile with everyone (Uh)

You make me happy everyday
We make a party everyday
You make me happy everyday
We make a party everyday everyday everyday

It's so happy

(Hour) You make me happy everyday
(Hour) I'll make it like a party everyday everyday
We make a party everyday
I'll make it like a party everyday everyday

I'll make it like a party everyday everyday
