

## Mera Sangeet kho gaya

Persephone

I can't hear the songs I wrote  
I can't remember the melody of life  
My heart is mute  
Silenced senses made me forget  
Mera sangeet kho gaya...

I can't feel the songs I wrote  
I can't remember the melody of pain  
My love is mute  
Silenced senses made me forget  
Mera sangeet kho gaya...

I can't hear the songs I wrote  
I can't remember the melody of feelings  
My tears are mute  
Silenced senses made me forget  
Mera sangeet kho gaya...

I can't feel the songs I wrote  
I can't remember the melody of fear  
My thoughts are mute  
Silenced senses made me forget  
Mera sangeet kho gaya...
