

# Twisted Eyes

Persuader

You ask me if I have a god complex?  
Let me tell you something  
I am God

Rise and whine  
Let your voice be heard  
No one shall take the thing that's me  
What I love to be

Blood on my altar  
Death is my deception  
Karma on zero  
Redesigned in hell

In these flames I dwell

Twisted eyes are those you find  
Screaming the words for mercy  
No pity shown from a God  
The fear in your eyes now gone

Believe me, obey me  
I'm the punishing creator  
Sifting for your kind  
As I sculpture my own genocide  
Last day of judgement  
Your blood is gonna boil

They left you here, alone and afraid  
Abandoned your soul into nowhere  
Eye for an eye that's what I believe  
No matter how hard I try  
I'll make sure that you'll never be forgotten  
I'll leave you here, my prey  
Crucified
