Pet Shop Boys

This is the moment we'll remember  
Every day for the rest of our lives  
Time may rush us, hurt or love us  
But on this day we have arrived

It's been a long time coming  
We've been in the running for so long  
But now we're on our way  
Let the ride just take us  
Side by side and make us  
See the world through new eyes every day

You're a winner  
I'm a winner  
This is all happening so fast  
You're a winner  
I'm a winner  
Let's enjoy it all while it lasts

I've been a loser  
I've paid my dues  
I fought my way up from the ground  
Now at this moment  
The crowd acclaim us  
Will you just listen to that sound

It's been a long time coming  
We've been in the running for so long  
But now we're on our way  
Let the ride just take us  
Side by side and make us  
See the world through new eyes every day

You're a winner  
I'm a winner  
This is all happening so fast  
You're a winner  
I'm a winner  
Let's enjoy it all while it lasts

It took us so long  
And we worked so hard  
We came so far just to compete  
But don't forget all  
The love and laughter  
Now the world is at our feet

Looking back on all the times  
We felt downcast  
Didn't think we were going anywhere  
Just living in the past  
But in that desperation  
You get inspiration

You're a winner  
I'm a winner  
This is all happening so fast

You're a winner  
I'm a winner  
Let's enjoy it all while it lasts

'Cause you're a winner  
Took so long  
We worked so hard  
We came so far just to compete  
But don't forget all the love and laughter  
Now the world is at our feet

You're a winner  
I'm a winner  
This is all happening so fast  
You're a winner  
I'm a winner  
Enjoy it while it lasts

'Cause you're a winner
