Till The Rivers All Run Dry

Pete Townshend

Till the rivers all run dry Till the sun falls from the sky Till life on earth is through I'll be needing you

I know sometimes you may wonder From little things I say and do But there's no need for you to wonder If I need you cause I'll need you

Till the rivers all run dry Till the sun falls from the sky Till life on earth is through I'll be needing you

Too many times I don't tell you Too many things get in the way And even though sometimes I hurt you Still you show me in every way

Till the rivers all run dry Till the sun falls from the sky Till life on earth is through I'll be needing you
