

# Lay Your Head Down

Peter Bradley Adams

Beautiful sleeping baby  
Don't let it pass you by  
When the leaves on the autumn trees all die  
What do you find?  
What do you find?  
Lay your head down, lay your head down  
Lay your head down, lay your head down

Beautiful sleeping baby  
Sail on the river wide  
When the leaves of autumn trees all die  
Baby don't cry  
Baby don't cry  
Lay your head down, lay your head down  
Lay your head down, lay your head down

[Musical Interlude]

Lay your head down, lay your head down  
Lay your head down, lay your head down
