

# I Found Love

Peter Criss

You keep me safe and warm  
When I hold you at night I know I'm feeling alright  
Never felt this way before  
Someone's taking the time I feel the whole world is mine

Baby 'til the day I met you  
Honey, I was lost  
And I can't forget you now

'Cause I found love  
Like I've never known  
I've found love  
And it means more to me  
Since I found you

You make me understand  
That when I walk in alone I know you'll be there at home  
I'm no longer afraid  
That if I open my heart someone will tear it apart

Baby 'til the day I met you  
Honey, I was lost  
And I can't forget you now

Baby 'til the day I met you  
Honey, I was lost  
And I can't forget you now

Yeah, yeah

I found love  
Like I've never known  
I've found love  
And it means more to me  
Ooo baby

I found love (oooh-ooooh)  
I found love (oooh-ooooh)  
I found love (oooh-ooooh)  
I found love (oooh-ooooh)  
I found love (oooh-ooooh)  
I found love (oooh-ooooh)
