## Sweet by and By

**Peter Doherty** 

2,3,4, Was it so long ago When we've first hit the road I remember Those earliest shows When we used to go Pa pa ra pa pa, Pa pa ra ra ra ra ta ta Was it so long ago, When you said you loved me so And we kisses untold Your love wouldn't have fall Oh my where did you go Oh I don't know You didn't say goodbye Where did you go? Oh you lie, And you left me wandering, wandering Your love's just a lie Everyone said you've found some other guy Well all I do is hang my head and cry Sometimes I moan, sometimes I moan Where did you go Oh I don't know You didn't say goodbye Where did you go I don't know, I was left wondering If her love was just a lie Everywhere I go people say "Who's that funny guy? All he does is hangs here down and cry" Sometimes he moans, sometimes he moans Oh, Oh why? When we used to go pa pa ra pa pa... . . .
