

Here Comes Caroline

Peter Frampton

Oh Caroline, oh Caroline
Here comes Caroline

When I see her go by
I see in her eyes
That she don't want me
If she knew how I feel
She'd see I'm for real
But I always freeze
Oh Caroline, please

Oh Caroline, oh Caroline
Here comes Caroline
Oh Caroline, oh Caroline
Here comes Caroline

They say out of sight, out of mind
That's not what I find
She's haunting my dreams
Now I'm losing my touch
I want her so much
But I freeze again
Oh Caroline, when

Oh Caroline, oh Caroline
Here comes Caroline

Oh Caroline, oh Caroline
Here comes Caroline
Oh Caroline, oh Caroline
Here comes Caroline

Oh Caroline, oh Caroline
Here comes Caroline
Oh Caroline, oh Caroline
Here comes Caroline
