

Reprise

Peter Hammill

We think we're fireproof,
we never think that we'll get burned;
we think we're fireproof,
we never think, so well get burned;
we think we're fireproof.

Reprieve,
reprise.

If he got to do it all again
would he do it over and over?

In reprise, reprieve?

But will she always be his?

(PH - Vox, Arrangement;

David Lord - Arrangement, Samples)
