

# Memory Go

Peter Murphy

Fade away  
Is that not  
What was what  
What you thought?  
Drop that cause  
Now is all  
Memory go

Junk the pause  
Fade away  
Is that not  
What was what  
What you thought?  
Drop that cause  
Now is all  
Memory go

Junk the pause  
Let it go  
Left behind  
Discreate the sentimental blind  
Then is gone  
If debunk  
Memory go, reject the junk

Memory go  
Memory go  
Memory go  
Memory go

Memory, memory

Promised love  
"The caring game"  
Not cashed in  
Is not the same  
An unreal life addicted to strain  
Imagined and  
Nonexistent pain  
Memory go  
Not to fade  
Not repressed  
Not to save  
Up in arms  
Up and tight  
Memory go  
A backwards' slight

Memory go  
Memory go  
Memory go  
Memory go

Memory, memory  
Fade away  
Is that not  
What was what

What you thought?  
Drop that cause  
Now is all  
Memory go

Oo

Memory go (is that not what was?)  
Memory go (is that not what was?)  
Memory go (is that not what was?)  
Memory go (is that not what was?)  
Memory go (is that not what was?)  
Memory go (is that not what was?)  
Memory go (is that not what was?)
