Part of the secret was

Laying down your second true love  
Part of the sequence  
When you were at the end  
You were secretly screaming out  
Once in a never blue moon  
We laughed as we played

Have you ever longed out loud?  
Have you pieced it together yet?  
With the in a single trip  
They're digging and down be down  
Let living and love be one

When you were at the end  
You were secretly screaming out  
Once in the never blue moon  
We laughed as we played

Have you ever longed out loud?  
Have you pieced it together yet?

They're digging and down be down
