

One day you will be the one  
to say I'm sick of empty fun  
It means if your faith is strong  
it means you are no longer astray...  
See I see all the light It comes straight from the sun  
And I want to get near so I can be clear

Soon I will merge with the one  
Soon I will be with the love  
One day when the lights turn green  
There is no time... this love I thirst

Don't get shy, don't get caught with the world and its thoughts  
I'm not asking for worship or lazy sleazy thoughts

Soon I will merge with the one  
Soon I will be with the love  
One day when the light turns green  
There is no time... this love I thirst

Don't get shy, don't get caught with the world and its thoughts  
I'm not asking for worship or lazy sleazy thoughts

(The Sister of Sleep)

He was thought of as strange... a good looking man  
And shallow eyes like two hidden from view and empty puddles of hue  
His views on death spread like two anecdotal tales  
Although he, reclining, declining, to disclose in public...  
These opinions in public; the tales held the key

Death is the surname of sleep, but the surname unknown to us  
Sleep is the daily end of life; a small exercise in death  
Which is it's sister, but not every brother and sister are equally close,  
Giving to the enemy a small exercise in submission  
And holding onto nothing

He was thought of as strange... a good looking man  
And shallow eyes like two hidden from view and empty puddles of hue  
His views on death...

One day you will be the one  
to say I'm sick of empty fun  
It means if your faith is strong  
it means you are no longer astray...  
See I see all the light It comes straight from the sun  
And I want to get near so I can be clear

Don't get shy, don't get caught with the world and its thoughts  
I'm not asking for worship or lazy sleazy thoughts
