Cold Cold Heart

I've tried so hard my dear to show That you're my every dream Yet you're afraid each thing I do Is just some evil scheme

A memory from your lonesome past Keeps us so far apart Why can't I free your doubtful mind And melt your cold cold heart

Another love before my time Made your heart sad an' blue And so my heart is paying now For things I didn't do

In anger unkind words are said That make the teardrops start Why can't I free your doubtful mind And melt your cold cold heart

There was a time when I believed That you belonged to me But now I know your heart is shackled To a memory

The more I learn to care for you The more we drift apart Why can't I free your doubtful mind And melt your cold cold heart **Petula Clark**
