Happy Heart

Petula Clark

There's a certain sound Always follows me around When you're close to me You will hear it

It's the sound that lovers Finally will discover When there is no other For their love

It's my happy heart you hear
Singing loud and singing clear
And it's all because you're near me,
My love

Take my happy heart away
Make me love you, make my day
In your arms I want to stay
For my love, Yeah

Feeling more and more Like I've never felt before You have changed my life So completely

Music fills my soul, now
I've lost all control, now
I'm not half, I'm whole, now
With your love

It's my happy heart you hear
Singing loud and singing clear
And it's all because you're near me,
My love

Take my happy heart away Make me love you, make my day In your arms I want to stay For my love..

Take my happy heart Can't you hear my happy heart In love, oohh

Take my happy heart Hear my happy heart In love
