Petula Clark

Put another nickel in  
In the nickelodeon  
All I want is lovin' you  
And music! music! music!

I'd do anything for you  
Anything you'd want me to  
All I want is kissin' you  
And music! music! music!

Closer, my dear, come closer  
The nicest part of any melody  
Is when you're dancing close to me

So, put another nickel in  
In the nickelodeon  
All I want is lovin' you  
And music! music! music!

Put another nickel in  
In the nickelodeon  
All I want is lovin' you  
And music! music! music!

I'd do anything for you  
Anything you'd want me to  
All I want is kissin' you  
And music! music! music!

Closer, my dear, come closer  
The nicest part of any melody  
Is when you're dancing close to me

So, put another nickel in  
In the nickelodeon  
All I want is lovin' you  
And music! music! music!

"C'mon, everybody! Put some nickels in! And keep that old  
nickelodeon playing!"

Dum-dee-dum dee-dah-dee-dum  
Dum-dee-dum dee-dah-dee-dum  
Dum-dee-dum dee-dah-dee-dum  
And music! music! music!

Dum-dee-dum dee-dah-dee-dum  
Dum-dee-dum dee-dah-dee-dum  
Dum-dee-dum dee-dah-dee-dum  
And music! music! music!
