

# Sign of the Times

Petula Clark

It's a sign of the times  
That your love for me is getting so much stronger  
It's a sign of the times  
And I know that I won't have to wait much longer

You've changed a lot, somehow  
From the one I used to know  
For when you hold me now  
I feel like you never wanna let me go

It's a sign of the times  
That you call me up whenever you feel lonely  
It's a sign of the times  
That you tell your friends that I'm your one and only

I'll never understand  
The way you treated me  
But when I hold your hand  
I know you couldn't be the way you used to be

Maybe, my lucky star  
At last decided to shine  
Maybe, somebody knows  
How long I've waited to make you mine

I'll never understand  
The way you treated me  
But when I hold your hand  
I know you couldn't be the way you used to be

Maybe, my lucky star  
At last decided to shine  
Maybe, somebody knows  
How long I've waited to make you mine

It's a sign of the times  
That you kiss me now as if you really mean it  
It's a sign of the times  
And a year ago I never could have seen it

Don't ever change your mind  
And take your love away  
Just leave the past behind  
And baby only think of how it is today

It's a sign of the times, it's a sign of the times  
It's a sign of the times, it's a sign of the times  
It's a sign of the times
