With All My Heart

Petula Clark

There's a certain sound Always follows me around When you're close to me You will hear it

It's the sound that lovers Finally will discover When there is no other For their love

It's my happy heart you hear
Singing loud and singing clear
And it's all because you're near
Be my love

Take my happy heart away Make me love you, make my day In your arms I want to stay All my love

Yeah...

Feeling more and more Like I've never felt before You have changed my life So completely

Music fills my soul now
I've lost all control now
I'm not half, I'm whole now
With your love

It's my happy heart you hear
Singing loud and singing clear
And it's all because you're near
Be my love

Take my happy heart away
Make me love you, make my day
In your arms I want to stay
All my love

It is my happy heart You can hear my happy heart In love uoohhhhhh

Aaaaahhhhh

Take me

Take my happy heart

Please be my happy heart

Eeehhhhhhh...
