

Lonely Day

Phantom Planet

C F C F
I could tell from the minute I woke up
C F C F
It was going to be a lonely lonely lonely lonely day.
C F C F
Rise and shine rub the sleep out of my eyes
C F C F
And try to tell myself I can't go back to bed
Dmi G C F C F
It's gonna be a lonely lonely lonely lonely day.

C F C F
Even though the sun is shining down on me and
C F C F
I should feel about as happy as can be
C F
I just got here and I already want to leave
It's gonna be a lonely lonely lonely lonely day
Dmi G C F
It's gonna be a lonely lonely lonely lonely day.
Dmi G C
It's gonna be a lonely lonely lonely lonely day.

Ami Dmi
Everybody knows that something's wrong
Ami Dmi
But nobody knows what's going on
F C G
We all sing the same old song
G
When you want it all to go away
G7 C
It's shaping up to be a lonely day
C F C F
I could tell from the minute I woke up
C F C F
It was going to be a lonely lonely lonely lonely day.
Dmi G C
It's gonna be a lonely lonely lonely lonely day
C F C F
I could tell from the minute I woke up
C F C F
It was going to be a lonely lonely lonely lonely day.
Dmi G Ami
It's gonna be a lonely lonely lonely lonely lonely....
F G Ami
Everybody knows that something's wrong
F G Ami
But nobody knows what's going on
F G Ami
Everybody knows that something's wrong
F G C F C F
But nobody knows what's going on.
