

Damage

Pharoahe Monch

They cock them hammers, wave them llamas
But that's that in front of the camera drama
So when the cameras are attached to dollys, I call them dali la
ma's

Mold me, loathe, hold me in the palm of your hand load me

You know exactly what I am, murderer!
When I'm inserted on to the top of fifteen family members
It's the curse of the proverbial anarchy starter the martyr
This is what I have been converted to do what I do is insanity
Pro fo fo fanity when they manually hammer me annually

You don't figitty phase me yo, I won't tigitty tase you bro
Figgity fucking cut you in half like it's nothing minus the las
er scope

Then I will ring your bell like avon
Before displaying some of my various tattoos (trayvvon)
(Oscar) award winning (aiyana jones) hey (sean)
Sworn to be cannon fodder for your father slaughter daughters
Armor piercing tumblers more deadlier than napalm

Fuck a stray bullet, I take aim when the gun draws
For ever lasting fame I will maim those who change the gun laws
Cause post traumatic stress disorder – ask any vet I've worked
with

My purpose catching bodies like safety nets at the circus...

Nigga I will twist your liver like oliver (twist)
Scratch your name off my calendar, see that was me thru a silen
cer

What you just heard was a 44 caliber now you can fill in the bl
anks

I will pillage your town killing them with dillinger rounds
Now fill in the clip cause I'm willing to flip

See I'm sort of certified I'm fortified live

You would be mortified if I would put on screen what I've seen
Horrorified holy bibles rifles vital organs

Little bitty baby body bridal gowns coffins

Morphine gang bang gangrene slauson swap meet

Meet greet pop I don't sleep I don't stop

I love hate, hate cops. that's why I laugh when they pull it

I'm motivated and crass I'm so elated when I see them on the ne
ws

They flying the flag half mass

See there's no need for conversation

When we're discussing the bullets point of view
