

# In The Air Tonight

Phil Collins

**Dmi**                    **C**                    **Hb**                    **C**  
I can feel it coming in the air tonight... oh lord...

**Dmi**    **C**  
I've been waiting for this moment... for all my life...

**Hb C**  
oh lord...

**Dmi**                    **C**                    **Hb**                    **C**  
Can you feel it coming in the air tonight ...oh lord?

**Dmi**  
Oh lord...

Well when you told me you were drowning...  
I would not lend a hand...  
I've seen your face before my friend...  
But I don't know if you know who I am...  
But I was there and I saw what you did...  
Saw it with my own two eyes...  
So you can wipe off that grin...I know where you've been...  
It's all been a pack of lies...

I can feel it coming in the air tonight...oh lord...  
I've been waiting for this moment..for all my life..oh lord...  
I can feel it coming in the air tonight...oh lord...  
Oh lord...

Well I remember...  
I remember don't worry...  
How could I ever forget?  
It's the first time...and the last time we ever met...  
But I know the reason why you keep this silence up...  
No you don't fool me...  
For the hurt doesn't show...  
But the pain still grows..  
Some stranger to you and me...

I can feel it coming in the air tonight...oh lord...  
I've been waiting for this moment..for all my life..oh lord...  
I can feel it coming in the air tonight...oh lord...

I can feel it coming in the air tonight...oh lord...  
I've been waiting for this moment..for all my life..oh lord...  
I can feel it coming in the air tonight...oh lord...
