Love Is Here and Now You're Gone

Phil Collins

Love is here and Oh, my darling, now you're gone Love is here and Oh, my darling, now, now you're gone

You persuaded me to love you And I did But instead of tenderness I found heartache instead Into your arms I fell So unaware of the loneliness That was waiting there

You closed the door to your heart And you turned the key, locked your love away from me

Love is here and Oh, my darling, now you're gone

You made me love you And oh, my darling, now you're gone You said loving you Would make life beautiful With each passing day But as soon as love Came into my heart You turned and you walked, just walked away

You stripped me of my dreams You gave me faith, then took my hope Look at me now

Look at me See what loving you has done to me Look at my face See how cryin' has left it's trace

After you made me all your own Then you left me all alone You made your words sound so sweet Knowing that your love I couldn't keep

My heart cries out for your touch But you're not there And the lonely cry fades in the air

Love is here and Oh, my darling, now you're gone Love is here and Oh, my darling, now you're gone

You made me love you Oh, my darling Now you're gone You made me love you Oh, my darling Tisterozotispicky-akordy.cz
