We had a life, we had a love,
But you don't know what you've got 'til you lose it
Well that was then and this is now
And I want you back
Fmi Cmi
How many times can I say I'm sorry
How can something so good go so bad
How can something so right go so wrong
I don't know, I don't have all the answers
But I want you back
How many times can I say I'm sorry
Es As B
You can run, and you can hide

But I'm not leaving less you come with me

We've had our problems but I'm on your side
Cmi Fmi B Cmi7 B6
You're all I need, please believe in me
I only wanted someone to love
But something happened on the way to heaven
It got a hold of me and wouldn't let go
And I want you back
How many times do I have to say I'm sorry
You can run...
Fmi Es7M/G

They say you can't take it with you when you go

And I believe it

But taking what I've got

or being here with you,

you know I'd rather leave it
