

Carry Me Back

Phil Keaggy

Carry me, carry me back to the One I love...Ahh
Carry me, carry me back to the One I love.
Carry me, carry me back to the One I love.
Carry me, carry me back to the One I love...Ahh, ahh.

I listen and carefully watch just for You
In all that I think and say and do.
Each moment I search for a right point of view.
The still small voice within me makes me yearn for You.

As days are filled with worry and care,
Where am I when of You I'm not aware
Of your sweet and perpetual love,
Perpetual love... perpetual love?
Ever forgiving... ever.

Carry me, carry me back to the One I love.
I need you to carry me, carry me back to the One I love.
And dance to the dance; the greatest romance.
And I understand, I understand, I understand.

I listen and carefully watch just for You,
In all that I say and do.
Carry me. Carry me. Carry me. Carry me.
