

Olivia

Phil Keaggy

Olivia, oh how I love you,
Little one, you captured my heart.
Gift of life, I sing of amazing grace
For you are a true work of art, Olivia.

Darling girl, less than a year old,
Precious child, you brighten my world.
Gift of love, I'm blessed by your smiling face
And I'll be forever yours, darling girl.

Well, I've written songs for your mama,
She's among the faithful few,
And I've written songs for your sister,
Now I'm writing this song, Olivia, just for you.

Olivia, oh how I love you,
Little one, you captured my heart.
Gift of life, I sing of amazing grace
For you are a true work of art, Olivia.

Baby girl, His hand is upon you,
For in your eyes I can see Heaven.
Gift of joy, you hold a special place within our hearts
And you are a blessing, baby girl.

Well, I've written songs for your mama,
She's among the faithful few,
And I've written songs for your Alicia,
Now I'm writing this song, Olivia, just for you.

Olivia, oh how I love you,
Little one, you captured my heart.
Gift of life, I sing of amazing grace
For you are a true work of art, Olivia.
