Wind  
Breath  
Spirit  
Mercy

That's how I try to live  
That's how I try to live  
Within this time You've given  
Within this world I move  
That's how I try to live

Thunder  
Sky  
Mountain  
Field  
Chalice  
Wine  
Bread  
Peace

Be upon us as we live  
Be upon us as we live  
Within this day we're given  
Within these changing times  
Peace be upon us all

Won't you please come down Lord  
As a dove  
Or let us find within  
The kingdom you spoke of

Won't you please come down Lord  
As a dove  
Or let us find within  
The kingdom you spoke of

A Red Hawk soars so high  
Above those power lines  
Electric world so wild  
May we all return to You

A Red Hawk soars so high  
Above those power lines  
Electric world so wild  
May we all return to You

Rivers  
Trees  
Raven  
Wings  
Spirit  
Joy  
Holy  
Day

Be upon us as we live  
Be upon us as we live

Within this day we're given  
Within these changing times  
Peace be upon us all

Won't you please come down Lord  
As a dove  
Or let us find within  
The kingdom you spoke of  
Won't you please come down Lord  
As a dove  
Or let us find within  
The kingdom you spoke of

Won't you please come down  
Won't you please come down  
Won't you please come down Lord  
Won't you please come down Lord  
Or let us find within  
The kingdom you spoke of
