

Whose Heavy Heart

Phil Keaggy

Whose heavy heart aches beneath the weight
Whose feet may burn and cause them pain.

(Children) Whatever you go through,
(Listen) Whatever comes your way,
(Remember) I'll always love you,
(Promise) The promise I made.

Whose eyes still burn with salty tears
(Jesus wept)

(Children) Whatever you go through
(Listen) Whatever comes your way
(Remember) I'll always love you
(Promise) The promise I made

Whose parched and dry souls athirst.
(He is the Fountain of Living Waters)

(Children) Whatever you go through
(Listen) Whatever comes your way
(Remember) I'll always love you
(Promise) The promise I made.
