

With All My Heart

Phil Stacey

With all my heart
I wanna love You, Lord
With all my heart
I wanna serve You

With every day that passes by
I wanna leave a mark
I wanna love You
With all my heart

With all my soul
I wanna love You, Lord
With all my soul
I wanna serve You

With every feeling
You give to make me whole
I wanna love You
With all my soul

'Cause You are worthy
Of every breath I breathe
You are holy
Oh, beyond compare

And Lord, I wanna be an offering
And live the words
From this simple prayer

With all my strength
I wanna love You, Lord
With all my strength
I wanna serve You

With every breath I take
And every choice I make
I wanna love You
With all my strength

'Cause You are worthy
Of every breath I breathe
You are holy
Oh, beyond compare

And Lord, I wanna be an offering
And live the words
From this simple prayer

With every thought I find
Stirring deep inside
I wanna love You
With all my mind

'Cause You are worthy
Of every breath I breathe
You are holy
Oh, beyond compare

And Lord, I wanna be an offering
And live the words
From this simple prayer

I wanna give You
All I have within me, Lord
Help me to live the words
From this simple prayer

I wanna love You, Lord
With all my heart
