

Didn't You Know She's Gone

Phil Vassar

Said the cloud to the sun, "Today's no time to shine"
Didn't you know she's gone
Said the rain to the moon, "You're not needed tonight"
Didn't you know she's gone
You can keep your magical moments we don't need 'em 'round here

Didn't you know she's gone by now
I thought you'd have figured it out
Can't you please forget her and just move on
Didn't you know she's gone

Said the tear to the pillow, "Watch out I'm ready to fall"
Didn't you know she's gone
Said the pillow to the tear, "That ain't gonna help at all"
Didn't you know she's gone
"Why do you insist upon crying, what's the matter with you"

Didn't you know she's gone by now
I thought you'd have figured it out
Can't you please forget her and just move on
Didn't you know she's gone

Said myself to me, "Hey man why can't you see
She's history, she's gone and she ain't comin' back"

Said the mirror to the man, "Take a good look at yourself"
Didn't you know she's gone
Said the man to the mirror a few choice words to myself
Didn't you know she's gone
Talk about a revelation, right between the eyes

Didn't you know she's gone by now
I thought you'd have figured it out
Can't you please forget her and just move on
Didn't you know she's gone

Didn't you know she's gone by now
I thought you'd have figured it out
Can't you please forget her and just move on
Didn't you know she's gone
