

Sure Feels Good

Phil Vassar

She might be singing, she might be cussing
She might be ready for a little bit of loving
You'd never know what you're gonna get when she wakes up, yeah
She's a fact, a fiction, she's a contradiction
She wants to talk so just shut your mouth and listen
You'd never know what you're gonna get when she wakes up, no no

And I don't like it
Mmm yeah, I love it

She's hot, cold, yes, no
She's full throttle on a dead end road
I can't be certain but I'm pretty sure she's my girl, yeah
She's here, gone, right, wrong
All day and all night long
An echo in the wind, mama said [?]
It sure feels good

Yeah

She says, "right now, you gotta be patient"
Keeps me swimming in anticipation
Crazy how everything changes when she walks in, yeah
Well she's at peace, well she's at war
She comes in like an angel then slams the door
Everything changes when she walks in

And I don't need it
But god, I gotta have it

She's hot, cold, yes, no
She's full throttle on a dead end road
I can't be certain but I'm pretty sure she's my girl, yeah
She's here, gone, right, wrong
All day and all night long
An echo in the wind, mama said [?]
It sure feels good

Yes, she's all or nothing

She's hot, cold, yes, no
She's full throttle on a dead end road
I can't be certain but I'm pretty sure she's my girl, yeah
She's here, gone, right, wrong
All day and all night long
An echo in the wind, mama said [?]
It sure feels good

Mama, mama, it sure feels good
She's hot, she's cold
Mama, mama, it sure feels good
She's hot, she's cold
Mama, mama, it sure feels good
(Mama, mama) it sure feels good
(Mama, mama) it sure feels good
