

# Can I Get A Witness

Phillips, Craig & Dean

Jesus touched the woman  
With faith that made her whole  
He healed the blind and fed 5,000 men  
Cleansed a group of lepers  
Gave strength to the lame  
And He brought dead men back to life again

He cast out many demons  
And opened deafened ears  
He forgave the woman caught in shame  
Jesus walked with His disciples  
And even washed their feet  
He taught them how to call upon His name

When Pilate asked if someone  
In the crowd that day  
Could say just what this man had done  
This is what he said

Can I get a witness?  
Is anybody here gonna testify?  
Stand and shout what Jesus Christ has done  
For you in days gone by  
Can I get a witness?  
Does anybody here wanna stand up for the Lord?  
Rise and speak the truth  
Can I get a witness?

Jesus found us broken  
Took away our sins  
He gave our suffering spirits a voice  
He who stilled the restless waves  
Has met our every need  
Well, we should have a reason to rejoice

Oh, we could sit so quietly  
And never make a sound  
But someone out there needs to hear  
What He's done for you, huh!

Can I get a witness?  
Is anybody here gonna testify?  
Stand and shout what Jesus Christ has done  
For you in days gone by  
Can I get a witness?  
Does anybody here wanna stand up for the Lord?  
Rise and speak the truth  
Can I get a witness?

Come on, brother!

Is anybody here gonna testify, testify  
Come on, now  
Is anybody here gonna testify, testify  
Come on, now  
Is anybody here gonna testify

Can I get a witness?  
Is anybody here gonna testify?  
Stand and shout what Jesus Christ has done  
For you in days gone by  
Can I get a witness?  
Does anybody here wanna stand up for the Lord?  
Rise and speak the truth

Can I get a witness?  
Is anybody here gonna testify?  
Stand and shout what Jesus Christ has done  
For you in days gone by  
Can I get a witness?  
Does anybody here wanna stand up for the Lord?  
Rise and speak the truth...
