

## In Heaven

Phillips, Craig & Dean

There'll be no prayers in heaven  
Won't have to intercede  
There'll be no cares in heaven  
For there will be no need  
There'll be no fear in heaven  
Nothing left to fear  
There'll be no tears in heaven  
For God will wipe away each tear

We will feel no pain in heaven  
Sickness will have ceased  
We will feel no strains in heaven  
Chains will be released  
There'll be no blame in heaven  
With imperfection gone  
There'll be no shame in heaven  
In gathering around God's throne

And we will be singing

R:  
Glory, holy  
Blessed be the Christ our King  
Glory, holy  
Praise to Thy name we sing  
Glory, holy  
We bow down before Thee  
Singing glory Lord eternally

There'll be no work in heaven  
God's work will be complete  
And there'll be no hurt in heaven  
Only pleasure at His feet  
There'll be no sin in heaven  
Because temptation will be done  
There will be no end in heaven  
When eternity's begin
