Top Of My Lungs

Phillips, Craig & Dean

Words of worship Rise like a river within me The thoughts to express are so many Wanna bless You God

Can't be silent I think of the mercies You show me My lips begin overflowing Great is Your love

Such gratitude for all that You do Jesus to You

At the top of my lungs I will sing Hallelujah You're the one who saved me The one who gave me this life I live For evermore, for evermore

At the top of my lungs I will sing Hallelujah I'm not ashamed, I'll praise Your name Let the whole world know, I love You, Lord I love You, Lord

You are worthy I join the song of creation That rings out across every nation Let my heart be heard

I need You so, I don't care who knows From the depths of my soul

At the top of my lungs I will sing Hallelujah You're the one who saved me The one who gave me this life I live For evermore, for evermore

At the top of my lungs I will sing Hallelujah I'm not ashamed, I'll praise Your name Let the whole world know, I love You, Lord I love You, Lord

Let my love be loud A sweet joyful noise Only for You I lift up my voice I lift up my voice

At the top of my lungs I will sing Hallelujah You're the one who saved me The one who gave me this life I live For evermore, for evermore

At the top of my lungs I will sing Hallelujah I'm not ashamed, I'll praise Your name Let the whole world know, I love You, Lord I love You, Lord, yeah
