

When The Walls Come Down

Phillips, Craig & Dean

Moonlight shinin' through venetian blinds
Shadows dancin' on the ceiling
This is one of my favorite times
Your words of peace are so healing
Hold me now in Your arms of safety
Hold me now, Lord, I need Your mercy

When the walls come down
When I let my defenses fall
Like rain to the ground
When the walls come down
Your love lifts me up
When the walls come down

(Walls come down, walls come down)
(Walls come down)

It ain't easy to admit the truth
When it comes to a weakness
And though I know I can't hide it from You
Still I run from forgiveness
Here and now, I surrender, Jesus
Here and now, I find all that I needed

When the walls come down
When I let my defenses fall
Like rain to the ground
When the walls come down
Your love lifts me up
When the walls come down

You see it all
'Cause You see through walls to my weakness
I'm not afraid
'Cause I know I'm safe in Your care
You meet me there

When the walls come down
When I let my defenses fall
Like rain to the ground
When the walls come down
Your love lifts me up
When the walls come down

When I let my defenses fall
Like rain to the ground
When the walls come down
Your love lifts me up
When the walls come down

When the walls come down
Lift me up, lift me up...
