

# Beauty of My Dreams

Phish

One day I met the beauty of my dreams  
Such pretty eyes she had you know it seems  
Long hair that flowed down behind  
I saw it all you know I was so blind  
Wound up on her side of town  
Bright lights and loud music all around  
I gazed into her eyes and she in mine  
She had me in a trance that was so fine

Now I cry cry cry, I can't get over her though I try  
I'm blue blue blue, should have known she never could be true

The fun it didn't last for very long  
I found her house the neighbors said you're wrong  
The girl you see don't live here any more  
Now I know the pain that was in store  
Now all I have is a picture in a frame  
She dissapeared the same way she came  
She made a wreck of me now I find  
She's outside but always on my mind

Now I cry cry cry, I can't get over her though I try  
I'm blue blue blue, should have known she never could be true

Now I cry cry cry, I can't get over her though I try  
I'm blue blue blue, should have known she never could be true
