

Bombers

Picture

Night is falling, strange sound in the sky, Bombers over the city, women yell and children cry, cry, cry, bombers!
Bomb's are falling, bang's echo in your head, all around is panic, soon there will be people dead... dead... dead... bombers!
Oh my life... Bombers!
Bomb's are falling, bang's echo in your head, all around is panic, soon there will be people dead... dead... dead... bombers!
Oh my life... bombers!
