

## Flying In Time

Picture

Movin' through a space in my mind, gotta' pass into the zone  
Livin' with a dream, a dream I can find, got to make it on my own  
Please tell me why, I'm flyin' in time

It's seeming dreams are real to me, that's because now I am the  
re  
Follow me and then, then you will see, follow me if you dare  
Please tell me why, I'm flyin' in time

Movin' through a space in my mind, gotta' pass into the zone  
Livin' with a dream, a dream I can find, got to make it on my own  
Please tell me why, I'm flyin' in time  
Please tell me why, I'm flyin' in time  
Please tell me why, I'm flyin' in time  
Please tell me why, I'm flyin' in time
