

## Rejected

Picture

Slam your door lock your shutters  
Drown that place and trust the luck  
Trying not to show your raw emotion  
Never let your guard down selfdestruct.

No matter what they say  
You wont listen anyway

In the dragons liar I'll dry your tears  
Drowning in your fears  
Why you feelin so rejected

Heart to heart much to candid  
Staring at the darkness from your bed  
Mind to mind doesn't matter  
If you can't defend the life you led.

No matter what they say  
You wont listen anyway

In the dragons liar I'll dry your tears  
Drowning in your fears  
Why you feelin so rejected

You got blood ans bone, no mans clone  
Still nobodys home  
Why you feelin so rejected.

In the dragons liar I'll dry your tears  
Drowning in your fears  
Why you feelin so rejected

You got blood ans bone, no mans clone  
Still nobodys home  
Why you feelin so rejected.

In the dragons liar I'll dry your tears  
Drowning in your fears  
Why you feelin so rejected

You got blood ans bone, no mans clone  
Still nobodys home  
Why you feelin so rejected.
