

Shadow of the Damned

Picture

I want destruction
I need my fill
I want to prove to myself
So go out and kill

I'm in a fever
I'm in a slide
I want to free myself
From the way I died

Hell is an expression
And of my soul and of my mind
Hell is an impression
Look inside thats what you'll find

I feel no sadness
This void of thought
Its only badness
In the trap in which I'm caught

Hell is an expression
And of my soul and of my mind
Hell is an impression
Look inside thats what you'll find

Sinners in the shadow of the damned
Sinners in the shadow of the damned

I feel no sadness
This void of thought
Its only badness
In the trap in which I'm caught

Hell is an expression
And of my soul and of my mind
Hell is an impression
Look inside thats what you'll find

Sinners in the shadow of the damned
Sinners in the shadow of the damned
Sinners in the shadow of the damned
Sinners in the shadow of the damned
