

# It's Going To Get Worse Before It Gets Better

Piebald

I'm coughing up a lung or two  
Just so you know I'm breathing well  
In front of you  
I'm holding out a knife or two  
Just so you know I'm standing next to you.

You can't always be down or out  
But if you try you won't be found  
You can't always get what you want  
That's for sure

I'm sending out a note or two  
That says we're all going to the same place  
So it doesn't matter where you are in line.  
I'm holding one hand or two  
Depending if we're walking or dancing.  
Either way I'm feeling fine.

You can't always be down or out  
But if you try you won't be found  
You can't always get what you want

You can't always be down or out  
But if you try you won't be found  
You can't always get what you want  
That's for sure  
Yeah, that's for sure  
Yeah, that's for sure  
Yeah, that's for sure
