

## Time Lost

Piebald

why are we separated by our actions?  
all the times we had before.  
all the things i won't forget.  
how can you let them go?  
erase.  
memories destroy me.  
erase.  
rip me up tear me down.  
erase.  
i will remember you.  
erase.  
time has passed now you're gone.  
i think about you.  
and he times i've lost, do you think of me?  
or am i forgotten or erased?
