

Lesser Animal

Pig Destroyer

Got no use
For psychiatry
I can talk to the voices in my head for free
Mood swings like an axe
Into those around me
My tongue is a double agent

(And and uh he heard the screaming and flesh burning and he he was running himself and he saw this young man that mocked him so much and he saw him on fire and he pulled him away from the blaze and he was nothing but charcoal he said his hands were frozen up he had uh nothing left but his eye balls his ears were gone, his nose was gone everything was gone)
