

# The Adventures of Jason and JR

## Pig Destroyer

Jason and I were on  
Our way to see Iron Lung when some  
Bug-eyed stranger handed us  
The Constitution  
We thought he was either  
Insane or high  
Till a sniper on a rooftop  
Killed the poor guy  
Before we knew it  
We were under attack  
By Dick Cheney  
In his Halliburton jet pack  
We ran for our lives  
Straight into the clutches  
Of the FBI  
But we were rescued  
By the actor Michael Ironside  
He explained the whole  
Cloak and dagger scheme  
He called in the Swedish  
Lesbian commando team  
After the final battle  
In the Illuminati secret base  
We had cow tongue tacos  
From a food truck in Chevy Chase
