

Higher Kind of Life

Pink Cream 69

it's such a damn disgrace
to see the human race
fall to pieces right in front of me
there's got to be a way
i heard somebody say
but you must kneel to my philosophy

looks like a higher kind of life
what i need
looks like a higher kind of life
oh help me, i don't want to be wrong
someone told me, someone said
looks like a higher kind of life
but i won't do it, do it, do it again

now i'm looking at the sun
and i'm not the only one
blinded by new found authority
he speaks to me the word
in a way i never heard
i'm the product of his personality

looks like a higher kind of life
what i need
looks like a higher kind of life
oh help me, i don't want to be wrong
someone told me, someone said
looks like a higher kind of life
but i won't do it, do it, do it again

round and round and round we go
welcome to the one man show...

looks like a higher kind of life
what i need
looks like a higher kind of life
oh help me, i don't want to be wrong
someone told me, someone said
looks like a higher kind of life
but i won't
No i won't
no I won't
do it again
