

Coming Back To Life

Pink Floyd

- C** **F**
1. Where were you when I was burned and broken
Ami **G** **F**
While the days slipped by from my windows watching
C **F**
Where were you when I was hurt and I was helpless
Ami **G** **F**
Because the things you say and the things you do surround me
- Ami** **F**
*: While you were hanging yourself on someone else's words
Ami **B**
Dying to believe in what you heard
Ami **G** **C**
I was staring straight into the shining sun
2. Lost in thought and lost in time
While the seeds of life and seeds of change were planted
Outside the rain fell dark and slow
While I pondered on this dangerous but irresistible pastime
- *: I took a heavenly ride through our silence
I knew the moment had arrived
For killing the past and coming back to life
- *: I took a heavenly ride through our silence
I knew the waiting had begun
And headed straight, into shining sun
