For millions of years mankind  
lived just like animals.  
Then something happened which  
unleashed the power of our imagination.  
We learned to talk.

**Emi**

There's a silence surrounding me

**Emi**

I can't seem to think straight

**D9**

I'll sit in the corner

**Cmaj**

No one can bother me

**Emi**

I think I should speak now  
(why won't you talk to me)

**Emi**

I can't seem to speak now  
(you never talk to me)

**C**

My words won't come out right  
(what are you thinking)

**Emi**

I feel like I'm drowning  
(what are you feeling)

**Emi**

I'm feeling weak now  
(why won't you talk to me)

**Emi**

But I can't show my weakness  
(you never talk to me)

**D**

I sometimes wonder  
(what are you thinking)

**Cmaj**

Where do we go from here  
(what are you feeling)

**Emi**

**Emi**

It doesn't have to be like this  
all we need to do  
is make sure we keep talking

(why won't you talk to me)  
I feel like I'm drowning

**Emi**

(you never talk to me)  
You know I can't breathe now

**D9**

(what are you thinking)  
We're going nowhere

**Cmaj**

(what are you feeling)  
We're going nowhere..

**Emi**

(why won't you talk to me)
