Into the distance, a ribbon of black
Stretched to the point of no turning back
A flight of fancy on a windswept field
Standing alone my senses reeled
A fatal attraction is holding me fast, how
Can I escape this irresistible grasp?
                              Ami
Can't keep my eyes from the circling sky
                               С
Tonque-tied and twisted just an earth-bound misfit, I...
GAG GAG
Ice is forming on the tips of my wings
Unheeded warnings, I thought I thought of everything
No navigator to guide my way home
Emi
Unladened, empty and turned to stone
                        Ami
A soul in tension that's learning to fly
Condition grounded but determined to try
Can't keep my eyes from the circling skies
                               С
Tongue-tied and twisted just an earth-bound misfit, I...
GAG GAG
Above the planet on a wing and a prayer,
Emi
My grubby halo, a vapour trail in the empty air,
Across the clouds I see my shadow fly
Emi
Out of the corner of my watering eye
A dream unthreatened by the morning light
Could blow this soul right through the roof of the night
There's no sensation to Amicompare with this
Suspended animation, a state of bliss
